**C. Declaration of foreign end user (or reselling consignee)**

**Context:**

Art. 12.4. of the EU dual-use Regulation n° 2021/821 states that individual export authorisations shall be subject to an end-use statement provided to the competent export control authority. The competent export control authority is the Strategic Goods Control Unit, Flemish Department of Chancellery and Foreign Affairs, Havenlaan 88 bus 80, 1000 BRUSSELS, Belgium (hereafter referred to as the "Strategic Goods Control Unit").

Signing this end-use statement contractually binds the signing company to the receiving government. Violation of the declarations made hereunder may result in penalties, and administrative and/or diplomatic measures.

**Declaration:**

☐ **C.1. Please tick this box to indicate that your company will act as end user and fully obligates itself to the following** (for traders, whole- or re-sellers see section C.2. below)

We (I) certify that the items described in Section B. supplied by the exporter named in Section A.1.:

1. will only be used for the purposes described in Section B.5. and that the items or any replica thereof are intended for final use in the country named in Section A.6.;
2. that the items or any replica thereof will not be used in any nuclear explosive activity or unsafeguarded nuclear fuel-cycle activity;
3. that the items will not be used for any purpose connected with chemical or biological or nuclear weapons, or missiles or UAVs capable of delivering such weapons;
4. that the items will only be used for civil end-uses (*delete if not applicable*);
5. as far as technology is concerned, we (I) certify that we (I) treat the technology strictly confidential and neither pass the technology on to other companies nor shall we (I) make knowledge available to third parties. In case of goods produced by the help of transferred technology, these goods will only be delivered to a third person/company on condition that this third person/company accepts the commitments of the above declaration as binding for itself and on condition that this third person/company is known to be trustworthy and reliable in the observance of such commitments.
6. We (I) further certify that we (I) will not re-export the items to third countries without the consent of the Strategic Goods Control Unit. Re-exportations to EU countries or Countries listed in Annex IIa of EU dual-use Reg. n° 2021/821 (Australia, Canada, Iceland, Japan, New Zealand, Norway, Switzerland, including Liechtenstein, United Kingdom, and United States of America) do not require any consent of the Strategic Goods Control Unit.

☐ **C.2. Please tick this box to indicate that your company will act as trader, whole- or re-seller** (*only to be completed if Section C.1. is not applicable / end-user cannot be determined yet*)

We (I) certify that the items described in Section B. supplied by the exporter named in Section A.1. will only be delivered to customers considered absolutely reliable by this company.

1. The customers shall declare unequivocally that the items described in Section B. or any replica thereof will not be used in any nuclear explosive activity or unsafeguarded nuclear fuel-cycle activity; that the items will not be used for any purpose connected with chemical or biological or nuclear weapons, or missiles or UAVs capable of delivering such weapons.
2. The goods will only be delivered to a third person/company on condition that this third person/company accepts the commitments of the above declaration as binding for itself and on condition that this third person/company is known to be trustworthy and reliable in the observance of such commitments.
3. The customer shall not re-export the goods to third countries without the consent of the Strategic Goods Control Unit. Re-exportations to EU countries or Countries listed in Annex IIa of EU dual-use Reg. n° 2021/821 (Australia, Canada, Iceland, Japan, New Zealand, Norway, Switzerland, including Liechtenstein, United Kingdom, and United States of America) do not require any consent of the Strategic Goods Control Unit.
